## PRODUITS DE TRAITEMENT DES BOIS EN OEUVRE

(usage professionnel)

*Sur la base déclarative des fabricants, les produits de cette liste contenant des substances actives biocides sont réputés conformes au règlement sur les produits biocides (RPB, règlement (UE) n° 528/2012).*

*Il revient cependant aux utilisateurs de vérifier auprès des fabricants le statut réglementaire spécifique des produits concernés dans le pays d'utilisation, les autorisations étant nationales et dépendantes des demandes de reconnaissance faites par les fabricants.*

*Les produits ayant une date d'expiration d'autorisation échu(e) restent, sauf indication contraire, certifiés CTB P+ pour une durée de 6 mois à compter de cette date.*

*Des produits de cette liste peuvent également être certifiés CTB-P+ pour une commercialisation uniquement hors UE. Ceci est alors clairement indiqué dans la liste.*

Cette liste est mise à jour à chaque mouvement et est disponible sur [www.fcba.fr](http://www.fcba.fr)
